- With immense pleasure on behalf at perfect international school we would like to welcome our dear parents we do cherish your partnership and collaboration in all endeavors at our life. We treasure your love and concern towards our institution which is our second home and present the
- Annual report of Perfect International School (PIS) for this Academic year 2023-24
- I am indeed honored to take this opportunity to present before you the consistent upwards graph at our schools achievements and would like to thank each one of you for being a significant part of this glories journey.
- The Annual Report showcases the achievement and glories for our school undoubtedly, but also make us think deeply about our short comings. We have been committed to create an environment in the school which will help the

young minds to blossom and provide a pattern for individual thinking and holistic development of the child's personality. As we share the yearly updates of our activities, We take modesty to say that we do our best to implement all that we have planned and we are proud at our students and teachers who strive hard to achieve beyond expectation.

“ The purpose of education is to turn mirror into window”

- Each year our students have made the school proud with their brilliant efforts not only in the field of academics but also in co- curricular areas.
- “ A good education can change anyone, A good teacher can change everything”
- Our perfect experienced trained staff nurtures their talents and Give conducive environment, where they can grow not just physically but mentally and socially too and our perfect family comprise of 20 well trained, dedicated & experienced teaching staff and supporting non- teaching staff.
- Special assemblies with prayers and meditation have been a part of our school culture.

It is well said by Dr. Abdul Kalam

- “Learning gives creatively, creatively leads to thinking, thinking provides knowledge makes you a great personality”.
- Our children proves excellence in academic subjects which involves various subjects and non-academic fields like sports, art, yoga, karate, dance etc. Various educational activities are taken to clear the concept.
- Activities like best form waste, show take activity Match stick, Drawing, wall painting, pencil scrap items word making, role plays sudocu and many more of them.
- Children develop a passion for learning and the concepts are cleared by celebrating various days like yellow, red, blue, green color days, yoga day flowers day dandiya dhamaka, grandparent's day, sports day etc.
- Moral and value education is imported by celebrating all the festivals in traditional ways even the national festivals are celebrated with great pride, zeal and joy.
- “ A quote by Benjamin Franklink Says
“Tell me & I target, teach me and I may remember, involve me and I learn. So visual learning and dramatization & presentations.
- Teacher day was celebrated with great experiment .It was a day where the students experienced the role reversal. They concluded that a teacher plays a vital role in molding the character & shaping the future of a student.
- Completion are taken to develop the sportsmen sprit in students like classroom decoration, poster making, logo designing, Sudoku, to tap the hidden talents in them.
- Each learner is a unique whole person with inherent genius, Special capabilities and unlimited potentials by providing a conducive and encouraging environment. The students are motivated to participate in various interschool activities.

- All the activities and celebration along with the exam schedule parents meets is mentioned in the school calendar.
- Extra remedial classes for weaker students, regular weekly tests and exams are taken to improve them in studies.
- Computer education is a need of today & we have two well-equipped computer labs.
- Library - Reading library books is an all-time favorite of the students as they equip themselves with knowledge and creativity of idea thought, Loosing themselves in fantasy land of magic and mystery, My sincere request to you all to encourage your child to read more books then the use of mobiles.
- Trip- “ One seeing is better than hundred learning.” So educational trips are arranged for students.
- “ Good health is the primary concern of school, to keep the body in good health is a duty, otherwise, we shall not be able to trim the lamp at wisdom and keep our mind strong.
So we have appointed a yoga instructor and are proud to see our children practicing the asanas for better mental and emotional balance.
- Sport And Games-
“ To be a great champion you must believe you are the best, if you are not keep on trying.
Sports competitor inculcate the sprit of positive challenges and sportsmanship among the students and prepare them for life ahead sports games & physical fitness occupy a place of importance in our curriculum, Our students participated in different sports completion and have come up with lighting colours in

- “We hope to make a big different in the lives of tomorrow’s leaders”. We appreciate our amazing faculty & staff who tirelessly
“ A real teacher is one who realize that he/she must be always a learners.”
Dedicate their time & energy for our students We always inspire the teachers & give them opportunity to grow as genius upgrading their knowledge by arranging seminars, workshop & training programs by various faculties. They are night angles of educational system.
- Besides this our parents too are involved in school activities. We arrange special programs like mom dad at school, Grandparents day, Maths/Science exhibitions, Open Days Festivals, Teacher Parent Meet etc.
- All the academic & Co-Curricular activities are conveyed to the parents, through the Whatsapp Groups of each Class & You can get the school information on Perfect Page Facebook , Youtube & Perfectschools.in school website. The daily information is provided to the parents at home to understand their child in school.

Ending Up With...

Ladies and Gentlemen,

Again I say, spend your quality time with your young ones, Bringing up these children is the joint venture of the parents and the school. So let us all pledge to give our children not just life but let us be their support at all times and nature these buds carefully & see them bloom into responsible, successfully citizens who can built a strong nation and all this is possible with the guidance of you all.

- I cannot end up with the vote of thanks to our Honble Trustee Pichad Saheb Chairman Engg. Datir Sir Secretary Sudhakar Deshmukh Sir for being supportive all the times.

Approved Members, Members of Management Committee, Principal Of all Faculty, Friends , parents & Colleagues.

- Special Thanks to all the parents who are the strong pillars and their valuable feedback have been helpful to us. Our Perfect Family have great pleasure to be associated with them, who are the people from various walks of life & have added great value to our society. Thanks for your trust, Understanding and support.

- Words are inadequate to express my heartfelt gratitude to all our teaching and nonteaching staff who burnt like candle on both ends and brought this fabulous event together with their untiring efforts.
- Students are our pride and they make our efforts truly meaningful and rewarding. Their significant efforts to do their base and became knowledgeable, skilled and responsible citizens.
- It's our perfect family team who work to maintain and enhance this glorious tradition. Every year the annual cultural fest is based on a particular theme as nature, maharashtrachi lokdhara, Retro to Metro, Mera Jivan Khushi ki Lahar, Perfects Disco Night and Now, Hold your breath for the 6th cultural festa as our children are ready with their great preparation to display in front of their parents what they can do, If given a chance to be creative and to channelize their energy constructively. Today also we have come up with new theme as "old is gold" if polish it shines more so, Our today's theme is "Perfects Remix Melodies"
- We believe that quality of your thinking determines the quality your mind.
- & Our management always have a higher vision for Education this year we have upgraded our infrastructure facilities including labs and built up their classrooms, As we have more than 550 student taking Education in our school.
- We have also applied for the CBSE Affiliation and very soon the process will be completed.
- Many Hurdles are crossed and milestones have been achieved and many are still to reach but our Perfect International Team will continue our efforts to mould the young minds in to well-balanced personalities with confidence and zeal.
- So, Enjoy your today's eve with Old and New melodies.

Once Again thank to all of you.

Thank You!
